## The July Meeting...

The July 7th meeting (and potluck) was hosted by Bill and Lisa Coleman at their palatial Shady Cove riverside estate. There were 61 folks in attendance and the potluck table was loaded with delicacies ranging from member's secret recipes to the ever-popular KFC bucket. Bonnie Sutton picked up \$90 in the 50/50 drawing and received a mixed response of boos, hisses and applause from the crowd. The guest speaker was Dr. Rick Kaufman. Dr. Rick was representing the Forest Grove Concours d'Elegance event. The event, which was the 38th annual version, was held July 18th at the Pacific University and the show proceeds benefit the Foundation of Forest Grove Rotary Club. This is a nice Concours and you might want to mark your calendar to take it in next year.

## \*The August Meeting...

The August club meeting will be hosted by the Bill and Nancy Andrews duo at their Grants Pass country hideaway. Mark your calendar for Wednesday, August 4th and be there by 6:00 pm with your appetite.

### From Medford:

Take I-5 north to the Grants Pass exit #55. Turn towards downtown and go to the 5th signal light and turn right on "F" Street. Travel to 3rd Street- stay in the left lane- and make a right turn across the RR tracks. You are on "G" Street. Go about 3 miles or so to Azalea Drive. DON'T TAKE AZALEA CUTOFF. Go right on Azalea Drive to #191 (look for the white fence and RVSR signs). Call the Andrews at 541-472-5153 if you get lost. If there are any leftovers we'll deliver them to you.

The format this time is, members with names A-L bring a salad or dessert, and members M-Z bring a main dish. As usual, bring your choice of beverage, your own place settings, and serving utensils for your dish. Folding chairs are always a good idea, too. See you there.

## Winners.

We like to know who attends the shows and who wins awards. Please let the Editor know

when you snag an award at shows or rod runs, whether they be local, or out-of-the-area.

Scotty and Diane Ivers won "Best Paint" at the July 10th Volcano Run in McCloud with their Black/yellow '39 Ford roadster.

**Dwayne and Barbara McIntosh picked up an award in the Modified 55-57 class with their '56 Chevy at the Klamath Show and Cruise. At the same show Cody & Perri Hoffman won Best GM with their '47 Buick.**

**The McIntosh's picked up another trophy "Best GM" at the Harvest Ford Customer Appreciation show on 7/17 in K.Falls. (kind of interesting having a Best GM trophy at a Ford dealership show!!)**

After putting in a new tranny in their '46 Ford convert Bunny and Charlotte took it to the "Agassiz Street Meet" up in B.C. Canada and picked up a 1st place Show Winner trophy - out of some 140 cars.

Why does "fat chance" and "slim chance" mean the same thing?

Note from Gini Bailey  
To all my dear RVSR family,  
I am truly overwhelmed by all your expressions of love and sympathy. My children were now comfortable leaving knowing a couple hundred men and women would be watching over their mom. Thank you for the food service at the memorial for George and for the beautiful flowers. People are still talking about the impromptu car show at the service. Thank you. Thank you. Thank you.  
I love you all,  
Gini

### Southern Oregon Rod & Custom Show

Troy Boyd originally authored the following and Bert Roberts, 2011 Car Show Chairperson, asked if I would share this material with the membership. Newer members may not have had a chance to see this.

***--NOTICE--***

I would like to begin sending the newsletter via email  
next month to members who would like to receive it in  
that manner. If you would like to receive the newsletter  
electronically please send me an email to that effect  
and I'll pick up your email address. If you are uncertain  
how the newsletter can actually be delivered to you

through all those tiny wires in your computer box just  
ask your grandchildren to explain it to you.

**Editor Wanted**

The pay is not good but you'll have a lot of fun. The  
newsletter is an important part of the RVSR operation and as  
Editor you can take satisfaction from being a participant and  
not just an onlooker. Putting out an issue will take maybe 4  
hours a month - more or less. If you do some of the layout  
and wording during the course of the month it's not a burden  
at all. Everything is set up on the computer and is easy to  
learn. I will be glad to get you going. Interested members  
and memberetts can give me a call and I'll fill you in.

Thanks,  
Larry
